

Dear Loyal Customers:

DeSmidt Landscape Management pleased to announce our forthcoming merger with Tobacco Road Lawn and Landscape.

The merger is scheduled to take place officially on March 5, 2013. On that date our combined firm will begin conducting its practice as Tobacco Road Lawn and Landscape.

DeSmidt Landscape Management began its professional practice in 2004. Its growth over the past 8 years has been predominantly internal, stemming from the referrals of our client base and those of other professionals. This has been in no small way also directly related to the success our clients have had in their business and personal pursuits.

We made the very tough decision to sell DeSmidt Landscape Management. Since 2004 we have met and worked with many great people in the triangle area, we will not forget the great friendships and opportunity that you all have provided for us, thank you.

As you know, finding and retaining a excellent landscaper can be a challenge. Chad Moose, owner of Tobacco Road Lawn and Landscape shares the same values we do. Chad has been in business for over 18 years. He has a B.S. in Horticulture Science from North Carolina State University. Tobacco Road Lawn and Landscape currently maintains properties all over the Triangle, including several Carolina Hurricanes Team owners and players.

Chad is available and happy to meet anyone in person, via email or by phone. Tobacco Road Lawn and Landscape is fully licensed, and insured. Some of Chads staff members have been working with him for over 9 years. Tobacco Road Lawn and Landscape specializes in residential and commercial property maintenance, pine straw, mulch, new installs of sod and plantings, basic irrigation, and most other lawn and landscaping needs. Chad and company can't wait to get started on your property.

If you have any questions about this exciting news and what it will mean for you, please contact Chad Moose at any time. We look forward to introducing you to our new partners and associates.

We are grateful to you not only for giving us the opportunity to provide you with landscaping services but for your loyalty and friendship, which have enriched our relationship. We are confident that our new affiliation will serve us all well.

Thank you,  
Andrew DeSmidt
